

# Diesel Technology

APPLIED TECHNOLOGY, TRANSPORTATION & CULINARY ARTS DIVISION

Dean: Albert Maniaol, BSEE/MBA

Faculty Chair: Richard Jaramillo, A.A.

*The Heavy/Medium Duty Diesel Truck Technology (Diesel) program offers students high technology training skills that may be utilized for immediate employment after certificate completion.*

The Department has one of the best training facilities in the Inland Empire. Students will receive training in various subjects including brake suspension, computer controlled engines and electrical and heavy-duty maintenance.

*Earn a certificate in Heavy/Medium Duty Diesel Truck Technology.*

The annual median wage for Diesel Technology workers with a degree in California is projected to be \$34,630 two years before earning degree, \$48,427 two years after earning degree and \$53,253 five years after earning degree.
